## REQUEST TO ISSUE A CORRECTED PATENT (IN LIEU OF A CERTIFICATE OF CORRECTION) UNDER 37 C.F.R. § 1.322(b) - OFFICE MISTAKE

Pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.322(b), the Director is respectfully requested to issue a corrected patent in the above-identified matter. The mistakes to be corrected were made by the Office, the nature of which are believed to be such that issue of a corrected patent is a more appropriate form for correction than a certificate of correction.

The errors in the patents are as follows. The claims as published are not the claims as allowed. Claims 2-6, 8-15, 21, 22, and 24-35 were indicated as allowed in the Notice of Allowance, a copy of which is attached hereto. The allowed claims are correctly set forth in the Response After Final Rejection (37 C.F.R. § 1.116), which was filed on August 24, 2004, a copy of which is attached hereto. The patent apparently was printed based on the claims as amended by the Amendment filed April 4, 2003. The Amendments filed on April 14, 2004 and August 24, 2004 were apparently overlooked.

No fees are believed due for this request. However, the Commissioner is hereby authorized to charge any fees that may be required for this paper to Deposit Account <u>50-0631</u>.
